

**NOW HIRING!**

# Bounty Hacker

Hollywood's hackers don't have anything on us. We're an elite task force of security professionals and the only thing we're missing is YOU!

Create the best tools, find the most valuable vulnerabilities, get paid.

Join us.

## REQUIREMENTS

Assign your team of hackers to best utilize their potential. Hard work is rewarded.

Provide your team with enough caffeine to keep them working around the clock.

Upgrade your hardware, allowing your team to do more in less time.

Race to complete bounties.
